

1451 1451 1451 1455 This is our love story

Hey, baby I just asked your daddy If I could take your hand 1451  
He said, "Boy, over my dead body" Guess I ain't his kinda man 1451

But I love you and you love me So, baby I gotta plan 1451  
We'll push my truck off of Red Top Bridge Right below the Jackson Dam 1455

Hey, they'll be draggin' the river Catchin' nothin' but an ol' catfish 1451  
They'll be draggin' the river That'll show that son of a bitch 1451  
1451 1455

It's been rainin' for the last two weeks So the water's up good and high 1451  
We'll just wait 'til it's good n' late So there ain't nobody passin' by 1451

I'll call my cousin He'll pick us up an' take us to the Greyhound Bus yeah 1451  
We'll be standin' in front of that preacher By the time they're lookin' for us 1455

And they'll be draggin' the river But they ain't gonna find a thing 1451  
They'll be draggin' the river I'll be wearin' me a diamond ring Oh yeah 1451

-Solo- 1451 145555 Ah, we're gonna show 'em

I know that it might sound crazy Just a little bit too extreme 1—  
But to get some of your sweet lovin' Baby, I'd do anything 1451

Sooner or later They'll find my letter sayin' that we're alright 1451  
We'll be rockin' at the Red Roof Inn This time tomorrow night 1455

And they'll be draggin' the river Sayin', "Lord, what a cryin' shame" 1451  
They'll be draggin' the river We'll be runnin', they'll never see it comin' 1455

They'll be draggin' the river 1451  
They'll be draggin' the river But they ain't gonna find a thing 1455  
1451 1455

Sorry about callin' your dad a son of a bitch earlier 1451  
Hey, do you think he'll still hire me? 14551  
Whoa, that thing's little The diamond, I mean
